

HMO Pharmacy Directory

This booklet provides a list of Health Alliance Medicare HMO network pharmacies. All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. To get current information about Health Alliance Medicare HMO network pharmacies in your area, please visit our website at HealthAllianceMedicare.org or call Health Alliance Medicare Services at 1-800-965-4022, Monday through Friday, 8 a.m. to 8 p.m. (TTY/TDD users should call 711 or 1-800-526-0844 for Illinois Relay.) You may also call these numbers if you need this directory in an alternative format.

Beneficiaries must use network pharmacies to access their prescription drug benefit. Benefits, formulary, pharmacy network, premium and/or coinsurance may change on January 1, 2013. Health Alliance Medicare is a health plan with a Medicare contract.

Introduction

This booklet provides a list of Health Alliance Medicare HMO network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Health Alliance Medicare formulary. If you have additional questions, please call Health Alliance Medicare Services at 1-800-965-4022, Monday through Friday, 8 a.m. to 8 p.m. TTY/TDD users should call 711 or 1-800-526-0844 for Illinois Relay. Or, visit HealthAllianceMedicare.org.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by Health Alliance Medicare. In most cases, your prescriptions are covered under Health Alliance Medicare only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

Health Alliance Medicare Network Pharmacies

Preferred pharmacies are pharmacies in our network in which our plan has negotiated lower cost-sharing for its plan members for covered prescription drugs than at other network pharmacies. However, you still have access to lower drug prices at these other network pharmacies than at out-of-network pharmacies. You may go to either of these types of network pharmacies to receive your covered prescription drugs.
